*Thank you for purchasing my designs.*

If this is your first purchase from me, please take a moment to read through these notes.

### **Included with your designs:**

An image of each design, together with a color chart indicating the colors, and their placement in the design.

### **Colors:**

For the majority of my designs, the colors are my ideas only. Please use whatever colours you like.

### **Quality:**

All my designs are fully tested and sewn a number of times, using 100% cotton and a medium stabiliser. Use of alternative weight fabrics and/or stabilisers may not guarantee a perfect sew-out. I cannot guarantee that the design will sew correctly if you alter it in any way.

I suggest that you stitch a sample of each design using similar fabric and stabiliser, before you stitch to your final item. If you have any issues at all with my designs, please let me know, so we can work together to achieve a great result.
